Office Chairs					
378201	Kinsha Cova CA-03 Office Chair  • Adjustable Back Rest for a more comfortable feel • Height Adjustable Armrest with Arm pad • Available in Black • Can take up to 100kg – 120kg based on sitting for 8hrs • Castors, Aluminium Base and Gas Lift are made to Blfma Standards Available in Black	Each	1	\$260.00	\$299.00
378238	Kinsha KS223 WA Ergonomic Versatile Swivel Chair with Adjustable Arms & Aluminium Base—with the following benefits:  Lumbar cushioning supports your back. The gentle outward curve of the backrest prevents flattening of the lower spine to prevent strain. The backrest height and angle adjust easily, allowing you to position the lumbar cushion so it rests comfortably against your lower back. Tilt controls for ideal positioning. Synchro tilt lets the backrest and seat tilt at a 2:1 ratio so you can lean back easily, distributing your weight between legs and torso, improving circulation. With adjustable tilt tension, you can control the pressure needed to recline the chair. 1-touch seat-height adjustment for perfect posture. The pneumatic lift lets you effortlessly raise or lower the chair seat so thighs and lower legs form a 90° angle for optimum comfort and health	Each	1	\$346.96	\$399.00

	Height adjustable armrests relieve shoulder strain. Fingertip-grooved release triggers let you raise or lower the soft urethane armrests to support your upper torso for improved posture and greater comfort no matter what the task Available in Black Warranty : Five(5) Years on Gaslift One(1) year against Manufacturing Defects Can take up to 100kg – 120kg based on sitting for 8hrs Castors, Aluminium Base and Gas Lift are made to Blfma Standards c/w Seat Slider to extend distance – 50mm Bigger Seat Cushion – 520 x 560 (mm)				
378185	Kinsha AM-03 Medium Fabric Upholstered Executive Chair  One Year Warranty Against Manufacturing Defects	Each	1	\$478.26	\$550.00

378135	Kinsha Rino RN-01 Leather Upholstered High Back Managerial Chair  ■ RN-01 Takes up to 110kgs-120kgs based on 8hr Sitting	Each	1	\$686.09	\$789.00
	Kinsha AM-01 AirMesh High Back Leather upholstered chair with the following benefits Adjustable lumbar support. The height adjustable lumbar support mechanism on the backrest allows it to be positioned correctly in the curve of the lower back and it also is adjustable inwards and outwards to prevent flattening of the lower spine to prevent strain.   Height adjustable swivel headrest allows for correct positioning of headrest especially during long periods of work. 				

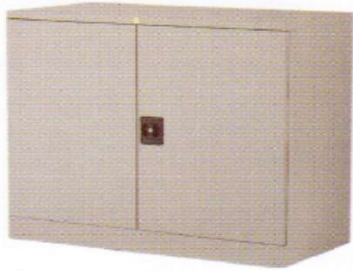

378124	Tilt controls for ideal positioning. Synchro tilt lets the backrest and seat tilt at a 2:1 ratio so you can lean back easily, distributing your weight between legs and torso, improving circulation. With adjustable tilt tension, you can control the pressure needed to recline the chair.  Simple single-locking synchronised mechanism • 1-touch seat-height adjustment for perfect posture. The pneumatic lift lets you effortlessly raise or lower the chair seat so thighs and lower legs form a 90° angle for optimum comfort and health Height adjustable armrests relieve shoulder strain. Fingertip-grooved release triggers let you raise or lower the soft urethane armrests to support your upper torso for improved posture and greater comfort no matter what the task. Polished Aluminium spider base. The arched polished Aluminium spider base is designed to support heavy loads and still look sharp despite the rigors of frequent use. Dual-wheel casters for easy mobility Available in Black Fabric and Black Mesh Back • Allows up to 110kg – 120kg based on 8hrs of Sitting Warranty: One (1) year against manufacturing defects 	Each	1	\$520.87	\$599.00
378137	Kinsha Trojan Max TJM-01 High Back Leather Executive Chair  ■ TJM-01	Each	1	\$781.74	\$899.00

SPECIAL FEATURES

- MegaMix 1: A newly developed burglar-and-fire resistant agglomerate of high density and strength, impervious to the blowtorch as well as providing effective resistance to hand and mechanical tools.
- Body: Of monolithic construction, the overall thickness is 75mm, incorporating MegaMix 1 Material.
- Door: The protective thickness is 55mm embodying MegaMix 1 Material reinforced with steel and a drill-resisting plate protecting the lock area.
- Additional protection against point-attack is given to vital parts of the boltwork by means of drill-resistant deflectors.
- The Standard locking is one Cawi (Germany) keylock, plus a S & G 3-wheel combination lock.
- Boltwork: Improved boltworks with top and bottom bolts and fixed rebate at the rear. Each bolt is 32mm in diameter.
- A passive relocking device, independent of the locks, will automatically block the moving boltwork in the event of a determined attack against the door.
- Base Fixing: Available as an optional extra.
